

## 2010-2011 Clipping Fundraisers for Timothy Lutheran Ministries

Following is an overview of all of our clipping fundraiser programs. What a great way to help our school, just by shopping for items you use every day!

**Labels for Education** - Purchase items that participate in this program (see product listing) and clip the Labels for Education UPC codes off the item. **Check the participating products listing, because new products, including Bic and Pop Secrets, have been added.** Products have different point values of 1, 5, or 10 points. TLS Ministries redeems the points to receive free educational equipment for the school. During the 2009 – 2010 school year **both TLS and the Early Childhood Center** received a **digital camera** through this program.

**Sign up to receive the monthly newsletter at [www.labelsforeducation.com](http://www.labelsforeducation.com) to stay up to date on new developments!**

**Best Choice** - Purchase **any items that carry the Best Choice logo** and clip the UPC codes from the labels. TLS Ministries will receive \$30 for every 1000 UPC codes submitted, and a bonus \$30 for the first 1000 UPC codes submitted each year. TLS Ministries just started taking part in this fundraiser in February of 2010, and **already received \$60!** This money has been deposited in the TLS Ministries Scholarship Fund.

**Box Tops for Education** - Purchase items that participate in this program (see product listing) and clip the Box Tops for Education logo that has an expiration date shown off the item. Each Box Top is worth 10 cents. **Check the participating products listing, because 23 new products, including Progresso Soups and Land O Lakes, have been added.** Last year TLS Ministries collected **over \$1000**, which has been deposited into the TLS Ministries Scholarship Fund.
