February 2010

Dear Families and Friends of Timothy,

Here it is February! It's time to re-enroll for the upcoming K-8 school year. If you are a preschool or elementary parent and have a child either 5 or going to be 5 by July 31, we would enjoy having your family as part of our K-8 family. The enrollment process for the 2010-2011 school year begins this month. You will be receiving information about enrollment with this letter. Please look it over and complete and return to our elementary school at 301 SW Wyatt Rd. South on HWY 7. Those of you who have and will have students in our program next year, I challenge you in recruiting one more family to join us. Share with them the blessing we have in the ability to teach and talk about Jesus each day.

Preschool families, your enrollment info will be coming in March from our ECC.

Thank you to all who have joined in saving their Box tops and Campbell labels. Keep it up. Both ECC and Elementary were able to purchase a digital camera with the Campbell labels. The money we receive for the Box Tops goes into our fund, which helps qualified families for tuition support.

In your "Parent Pages" please read carefully. Take a look at the title that alone should instill interest within you as a parent. Many would agree that we should never say no to a child. They need to know what is right and what is wrong and the word NO should be a large part of that process. For you parents who have older children, use this as a family discussion piece where you can sit and talk as a family.

Remember our mission offering which we are collecting for "Hope for Haiti." Our children are encouraged to bring in their change, which is being collected through the month of February. Our elementary goal is \$1,500.

Included with this is a questionnaire about an Art club, which we are proposing for our K-8 students. Please take a look at it, fill it in and send back to your teacher. If we have a favorable response we would like to get started during February.

Trivia Night is coming! Friday April 16 here at the south site, K-8 building. Theme this year is "Put Me in Coach." Mark the date down and look for more information.

K-8 Musical is scheduled for April 28, at the south site.

Lutheran Schools Week March 7-12. Also achievement tests for grades 3-8 the week of Feb. 22.
