March, 2010

Dear Families and Friends of Timothy:

“Train a child in the way he should go, and even when he is old he will not turn away from it.” Proverbs 22:6 I share this with you because this is what Timothy is all about which comes from our Touching Lives for Christ. This is enrollment time! I ask that you help us and get your enrollment papers in as soon as possible. Also I have challenged you to bring another family to enroll their children and partner with us. You are a blessing to our school and through you we can “touch” many more lives. Our Elementary program is in the process of enrollment and our ECC begins March 1st.

We have an OPEN HOUSE, at the elementary building, which would be an excellent time to bring someone new to our program. The date is March 22, from 1:30—7p.m. This is also the day for our Kindergarten screening held at the south site from 1:30—4:30p.m.. Please join us and bring a new family.

Also along those lines Timothy, as a congregation, will be celebrating its ministries and community services, with a celebration on April 18, called Timothy Celebrates Community. Again join us for praising God for all the ministries we have at Timothy and the awesome service groups within our community. Chris Cakes will be here serving their famous pancakes.

Lutheran Schools Week begins Sunday March 7 and through that week. Both programs have special activities for our students to enjoy. Please check your student’s send home information as well as this mailing.

Our Elementary program, is putting together an Archery course for grades 5-8. Kris Burns, a member of Timothy congregation, has taken the instructions and is ready to train our children in the proper use of archery equipment. This will obviously take monies that we don’t have budgeted, so we are asking if you are interested in helping please help with donations made out to Timothy Lutheran School and bring to the south site, Wyatt Rd. location. Any amount is appreciated and would be tax deductible.

Trivia Night is back!!! “Put Me In Coach” is the theme. Get your teams ready! Friday April 16 is the night. This takes place at the elementary, Wyatt Rd. building. The night begins a 6:30p.m. Picture taking will happen before the event begins. Bring your own food to enjoy. Tickets to be sold beginning Sunday March 21 at both sites. Tell your friends and neighbors.

Blessings to you all.

Serving the Master Teacher,

Edwin F. Kuerschner/Administrator School Ministry
