

"Touching Lives for Christ!"

January, 2012

Dear Families and Friends of Timothy!

Here it is...Happy 2012! It is hard to believe that we are beginning another year of life. Another year of blessings from our Heavenly Father. Please take time and thank Him for the year that was and now the new year.

It is difficult to imagine but next month you families in our Elementary program will begin thinking about re-enrollment for the 2012-2013 school year. You will receive information during the month of February.

Please take some time and read the attached "Parent pages." I think you will find them educational and very rewarding. If you are like most parents, you are always looking for better ways to raise your child. One needed component of parenting is making sure that your child knows Jesus. We at Timothy School Ministries cherish the partnership our families and schools share. You can always be assured that your child will be instructed and spiritually challenged in the way of the Lord.

Save the date; Feb. 13, a Monday night. We will sponsor, with the help of Thrivent, an evening for you and your child ages 3 and 4 and grades K-8, where you and they will learn the importance of how to save and spend money. Please keep this night available, time of the presentation will be from 6:30-8:30p.m. More information will be coming soon.

Continue to check your students bag for information coming from their teacher or school. Check your emails as well. We are moving to communicate more and more via your email. Also keep in mind the starting times are for your child to be ready to begin class. It disrupts a class very much when children walk in late.

Wishing you all a very blessed 2012.

Serving the Master Teacher,

Edwin F. Kuerschner/Administrator, Timothy Lutheran School Ministries
