

"Touching Lives for Christ!"

September 2010

Dear Friends and Families of Timothy,

Here it is September and our school year is underway. Our school theme for the year is "Securing Each Child's Future for Discipleship" based on John 8:31-32. It is our school ministry emphasis to help our students discover that being a disciple of Jesus is a lifelong journey where they continue to learn and develop as disciples.

Welcome to all our Home School Students that have joined us on Tue. and Thurs. in our elementary program. It is great to have you with us.

There are many things happening in the next weeks; I will try and visit some of those dates as well as informing you as to what they are:

Fall Fun Festival is fast approaching, Sept. 17-19. Our school ministry will be marching in the parade on Sat. morning. We would like families to walk with our float presentation and show our school "spirit." Float construction will take place on that Friday, I believe you have had information already come home explaining this event. We also have the opportunity to help with the Steak Burger Booth, as we did last year. We would be called upon to clean the tables where people sit to eat and enjoy some fellowship. I have sent information home to our 3-7th grade and encourage (kids, families) to participate. We did this last year and found it an opportune time to "Touch Lives With Jesus." If you are interested please contact myself at the school office.

Our school ministry will be selling Royals tickets, \$10/ticket, for the Oct. 2 game with Tampa Bay Rays. Game time is 6:10p.m. This is program where our scholarship fund will see benefit from the ticket proceeds. All ticket sales are final and need to be purchased from the elementary office (Wyatt Rd.) by Oct. 1. We will have 100 tickets to sell so please take advantage.

School Book Fair held at the Elementary School (Wyatt Rd.) Sept. 12-17. More information coming.

School pictures: K-7 on Sept. 20 and ECC Sept. 23 and 24.

Please check your child's backpack for school ministry communications or check the website.

Blessings to you all,

Serving the Master Teacher,

Edwin F. Kuerschner/Principal
